## Klamath River Prescribed Fire Training Exchange (TREX) participants

Will be implementing prescribed burns in Orleans, Weitchpec, Happy Camp, and Salmon River between September 30th and Oct 10th, 2015

MKWC and partners will be making every effort to give neighbors and community members a heads-up as scheduling gets worked out for specific burns. Please help by passing the word to expect smoke from controlled burns during this two week period in Orleans, Weitchpec, Some Bar, Happy Camp, and Salmon River.

The FLN is supported by *Promoting Ecosystem Resilience and Fire Adapted Communities Together: Collaborative Engagement, Collective Action and Co-ownership of Fire*, a cooperative agreement between The Nature Conservancy, USDA Forest Service and agencies of the Department of the Interior.

*This institution is an equal opportunity provider.*
