

Tenant Meetings

The Karuk Tribe Housing Authority will be holding Tenant Meetings in each of our communities during the month of December. During this time, we will review the Annual Performance Report for Fiscal Year 2017 covering activities from October 1, 2016 through September 30, 2017. This report is submitted to the Department of Housing and Urban Development (HUD) under the Native American Housing Assistance and Self Determination Act (NAHASDA) annually. This is your opportunity to provide constructive comments on our progress toward accomplishing the activities in the Indian Housing Plan (IHP).
