The above list is intended to serve as a functional description and starting point for remodeling.

A. **Costs Submittals:** The Contractor shall prepare preliminary cost estimate, detailed construction cost estimate, and a schedule of values.

1. **Preliminary Construction Estimate:** Estimate shall include all direct construction costs broken down by major specification divisions. Costs shall include line items for construction contractor profit, overhead and risk.

2. **Detailed Construction Estimate:** Estimate shall include all direct construction costs broken down by individual specification section. The estimate shall show all costs and level of effort associated with work items included in the contract. Costs shall include line items for construction contractor profit, overhead and risk. All items over one thousand dollars shall be broken down to the smallest unit practicable. This estimate will be used to create the Schedule of Values against which the Contractor will invoice for construction work performed.
3. **Schedule of Values:** The Contractor, with input and final approval by KT, shall create a schedule of values based on specification sections developed during design phases. This schedule of values shall be used during the construction period to monitor progress as well as provide the basis for construction phase invoicing. The schedule of values shall not be confused with the preliminary and detailed construction estimates that are due as part of the design submittals.

- B. **APPLICABLE CODES:** NFPA and ADA shall have primacy otherwise California Code of Regulations (CCR) shall apply.

Americans with Disabilities Act (ADA)

International Building Code (IBC)

National Fire Protection Association (NFPA)

State of California Code of Regulations (CCR)

Other applicable local, state, or federal regulations including Siskiyou County.

- C. **Construction Payment:** Payment for construction work shall be billed for as work is completed. Work shall be billed against the schedule of values generated by the detailed construction estimate. A ten percent (10%) retention will be withheld from each payment until project has been completed and accepted by owner.

- D. **INDIAN PREFERENCE & TERO**

All work awarded and performed under this Contract must comply with the Karuk Tribe Workforce Protection Act. Refer to <http://www.karuk.us/index.php/departments/tero> for more information regarding the Karuk Tribe Workforce Protection Act.

The Contractor shall also comply with all other Owner Indian preference and tribal employment rights ordinance requirements, if any.

If the Contractor has been awarded this Contract because of Indian preference and it is later determined that the Contractor was not 51% Indian owned and controlled by the requisite Native Americans or Native American organization, the Owner may terminate the Contractor's right to proceed. Furthermore, any Indian-preference Contractor must

obtain prior approval from the Owner in order to reduce its Indian ownership and control to less than 51% during the course of this Contract.

This contract is subject to all provisions of the Karuk Tribe's TERO Ordinance. Within 10 days of execution of this contract, Contractor shall contact the Karuk Tribal Employment Rights office at 530-493-5305 ext. 2030. An amount equal to 2% (two percent) of this contract sum, and all future change orders is payable to the Karuk Tribe as a TERO fee. Contractor may include the entire TERO fee in his first application for payment, or include the TERO fee in each of his progress payment applications. Refer the required Karuk Compliance Plan in Attachment B.

E. **BONDING AND INSURANCE REQUIREMENTS**

1. The Contractor shall within five days after the receipt of a Notice of Award furnish the Tribe's Contracting Officer with a Performance Bond and a Payment Bond in penal sums equal to the amount of the contract price, conditioned upon the performance by the Contractor of all undertakings, covenants, terms, conditions and agreements of the contract documents, and upon the prompt payment by the Contractor to all persons supplying labor and materials in the prosecution of the work provided by the contract documents. Such bonds shall be executed by the Contractor and a corporate bonding company licensed to transact such business in the state in which the work is to be performed. The expense of these bonds shall be borne by the Contractor. If at any time a surety on any such bond is declared as bankrupt or loses its right to do business in the state in which the work is to be performed, the Contractor shall within ten days after notice from the Contract Manager to do so, substitute an acceptable bond (or bonds) in such form and sum and signed by such other surety or sureties as may be satisfactory to the Contract Manager. The premiums on such bond shall be paid by the Contractor. No further payments shall be deemed due nor shall be made until the new surety or sureties shall have furnished an acceptable bond to the Contract Manager.
2. Upon Notice of Award of contract the Contractor is required to provide evidence of Workman's Compensation and General Liability Insurance to the Tribe's Contracting Officer.

F. **EVALUATION FACTORS:**

Proposals will be evaluated and award will be made on the basis of both cost and considerations identified below and what is the best value to the Karuk Tribe. Submitted information shall be specific and clearly delineated. Failure to address evaluation factors may result in disqualification.

1. **Cost (50%):** Cost shall include completed bid schedule as well as description of cost control approach and long-term energy efficiencies incorporated into the finished completed building.

2. **Team Composition and Key Personnel (25%):** Team composition and description including company names and roles of each member including other professional firms, general contractors and/or any form of subcontracting. Also included shall be the professional qualifications, expertise, experience, and education of key team personnel who will be directly involved in the project.
3. **Management Strategy and Quality Control (25%):** Description including narrative that addresses the coordination and scheduling with team members and KT personnel. This shall include all phases of remodel. Scheduling shall demonstrate knowledge of project starting from Notice to Proceed to contract completion including milestones and major portions of contract work. Construction phases should include but is not limited to mobilization/demobilization, excavations, interior finish, exterior finish, site utilities, commissioning, pre-final inspection, and final inspection.

Indian Preference will apply in the selection process in accordance with the Tribal Employment Rights Ordinance (TERO) and/or Indian Preference Act of 1934 (Title 25, USC, Section 47), based on funding source requirements.

All contracts that exceed \$2,500.00 shall be subject to a two percent (2%) Tribal Employment Rights Fee in accordance with the TERO Ordinance.

If applicable, construction contracts in excess of \$2,000, when required by Federal grant program legislation, are subject to compliance with the Davis-Bacon Act (40 USC 276a to a-7) as supplemented by Department of Labor regulations (29 CFR part 5).
