

KARUK TRIBE

LETTER OF INTENT FOR CANDIDACY

Gabriel Montgomery

Name of Candidate: Gabriel Montgomery
Tribal Roll #: 3167
Candidate for: Member at Large (Yreka District)

CANDIDATE STATEMENT

My people come from Katimiin along the Klamath River the center of our Karuk world.

I am highly motivated in assisting our tribal members in each of our communities. I have a strong purpose in seeking self-sufficiency within our tribal communities.

I am dedicated to working with and for our tribal members for the betterment of each member and each community.

My Karuk tribal values are teaching family values traditionally, culturally and our language to all members. Reaching our youth who are so impressionable at this time and directing them towards their culture instead non-native traditions.

Developing better public relations with the tribal communities, bridging the gap better between the Tribal Council and the Tribal Members for a more positive tribal community.
