

Barry Hockaday

Ayukii Karuk Members,

My name is Barry Hockaday and I am running for the Yreka Member-At-Large Council seat. I live in Montague; CA and I have lived in the Karuk aboriginal territory all of my life. I lived in the Happy Camp area for 40 + years and in the Yreka area after that. I have worked for the Karuk Tribe serving our Karuk membership for 15 + years, so I am knowledgeable in the many departments and services throughout the Karuk Tribe.

If elected, I will be able to use my knowledge of the Karuk Tribe to help serve the Karuk membership. Areas that I would like to focus on are Elders, youth, land and fisheries as well as our casino and Medical Program, housing and education.

As a part of Karuk Council, I would like to help streamline the process of housing and help bridge the communication gap between the tribe and its membership so we all work together as a whole. I would like to work together with the Education department to help our youth obtain the resources needed to be successful in school and continue onto college or trade school so they can be successful in life.

A vote for me is a vote for our future
