

This letter is to Officially Announce: My intent to run for **Karuk Tribe Chair**.

For those of you who know me Ayukii (Hello), and for those who do not: I am **ANGELINA ARLEEN HARRIE BAILEY**. I am 44 years young, DOB 04-05-1979. Karuk Tribal member #001925. I currently reside in Happy Camp, California, for the last 9 years. I grew up along the rivers Quartz Valley, Yreka, Happy Camp, Somes Bar, Willow Creek, Humboldt and some summers in Arizona.

I have much knowledge in medical as I was a nurse in Humboldt from 1997 to 2014. I have learned new medicine but old medicine still works wonders for my family and close friends. I have struggled with many life circumstances such as domestic violence, mental illness, homelessness, social services and abandonment. I read, prayed and waited for each of these circumstances to end. Patience and newfound knowledge on how to be and carry myself; as I am strong, head held high with pride perseverance and resilience. If the only thing you take away from this, let it be that I; Angelina Bailey does not give up! Angelina Bailey does not give in! Angelina Bailey will do everything she can to make this Karuk Tribe strive again.

These are the reasons you should;

===== Vote Angelina Bailey Karuk Tribe Chair 2023 =====

I listen with an open heart and mind. It is not my spirit to be judge mental. I want to change my dreams to reality for better Medical Care. For better Dental Care. For better Mental Health Care. For better Elder Care. Enriching or language back in schools and every day life. Reality for more scholarships for young members tribal and descendants. Reality for more College Graduates. Reality for more Jobs. Reality for more actions in homes being built, erase homelessness for our people. Reality for Culture Identification, more ceremonies for prayers and healing; for every day of our lives. Reclaiming land to preserve land and medicine from the grounds of our lands. Reclaiming water rights. Reclaiming fishing, gathering and hunting. Preserving and restoring now and for future generations.

It is not my job to do it alone. With your support we can achieve and exceed to new found levels of Care, Culture and Character.
