DeAnna Super

Ayukii,

I am DeAnna Rose Super. I am running for the Yreka District Member at Large. If elected I will promote better communication and prompt service to our Tribal Members.

Advocate for more direct services to our elders to improve their Health, Living, and Cultural needs.

For our youth, I will support increasing programs and services which will enhance their living environment and assist with their educational/cultural goals.

I believe in members first. I believe the Tribe can provide professional, efficient, high quality service to all members possible.

Please vote for DeAnna Super!
