

KARUK TRIBE

LETTER OF INTENT FOR CANDIDACY

Name of Candidate: **Robert Super**
Tribal Roll #: 4297
Candidate for: Vice-Chairman (Paid Position)

CANDIDATE STATEMENT

I will try my best to take the issues of our people and find the answers for the best for Our people and let everyone know why I am for or against these issues.

In our Constitution it reads that we will preserve and restore our tribal traditions and ancestral Rights so I feel we should help with all our dances and ceremonies as long as all our people Can learn what goes on at the dance. So we do not lose our ways.

I also believe that all our members should be treated equal in all our departments what's good for One should be good for all. And find out if we are.

We need a person in housing that works to help our tenants. We used to have a resident Service coordinator that helped the people.

I would like to see our agenda posted online and in all areas and maybe in the local news paper So our members can oppose or support issues.

I have worked for the tribe and had been on boards and council in the past so I know how the programs work.

I have always have been here for our people.
