Request for Proposals**RFP#14-RFP-004****For More Information:** Thomas Fielden, 530-493-1600 ext. 2024Email: tfielden@karuk.us**Proposal Deadline:** January 17, 2014, 5pm

The Karuk Tribe requests proposals for the following Scope of Work that is required for the submission of an application for the installation six (6) additional radio repeater units and required equipment to the existing radio repeater system that sits on Orleans Mountain located on the Six Rivers National Forest in Humboldt County. The application process will require coordination with The Klamath (KNF) and Six Rivers (SRF) National Forest, California Highway Patrol (CHP), California Department of Forestry and Fire Protection, Siskiyou Ranger Unit (SKU) and the Federal Communications Commission (FCC). The Six Rivers and Klamath National Forest are requiring that a separate application be submitted to each forest.

The project will consist of one (1) Daniels Z40509 UHF, 30 Watt Link Radio for existing Orleans Mountain repeater. Six (6) Daniels Z40508 VHF, 30 Watt, P25 Repeaters, with UHF 30 Watt Link Radios, set up on Ukonom Mountain (SRF), Slater Butte (KNF or CHP), Lake Mountain (KNF), Collins Baldy (KNF), Paradise Craggy (SKU) and Gunsight (CHP). Six (6) VHF, Antenna Systems Complete, includes (1) Celwave 1121, 3db gain antenna, (1) DB230 Yagi antenna, ½ inch Andrews Heliac, Solder/Clamp Connectors, jumpers and lightning protection. Seven (7) UHF, Antenna Systems Complete, includes (1) Yagi antenna, 1/2 inch Andrews Heliac, Solder/Clamp Connectors, jumpers and lightning protection. This system may include the installation of additional solar panels and/or batteries and/or indoor/outdoor locking storage cabinets.

This system should have the ability to communicate with a central hub to simulcast to all the repeaters at one time or the ability to link up two repeaters to communicate from one area to the other through a tone selection procedure. For example the system shall have the ability to talk from Independence Creek area (Happy Camp) off the Slater Butte Repeater to Yreka Child and Family Services office on the Gunsight Repeater with the selection of an appropriate tone.

Task One

The completion of technical data sheet, FS 2700-10, for each site detailing the equipment, frequency, power source and planned installation information shall be prepared and submitted to the Klamath and Six Rivers Nation Forest for the appropriate sites. Any required coordination with the FCC shall be the responsibility of the contractor. .

Task Two

The completion of technical data sheet, DT-311-CHP, for each site detailing the equipment, frequency, power source and planned installation information shall be prepared and submitted to the California Highway Patrol for appropriate sites. Any required coordination with the FCC shall be the responsibility of the contractor

Task Three

The completion of technical data sheet, DT-312-CDF, for each site detailing the equipment, frequency, power source and planned installation information shall be prepared and submitted to California Department of Forestry and Fire Protection for appropriate sites Any required coordination with the FCC shall be the responsibility of the contractor

Responses to this Request for Proposals should include the following:

- 1) A statement of qualifications, including relevant project history.
- 2) A proposed approach and rationale for completion of the contract tasks described above, including descriptions of similar work previously completed and the results/benefits achieved.
- 3) A lump sum price, with attached hourly and travel expense rate sheet [this can be modified to include specific details you need based on the project/work].
- 4) Names and telephone numbers of three client references.

Responses must be hand, mail or fax delivered by January 17, 2014 at 5pm to:

Erin Hillman

Director of Administrative Programs and Compliance

Karuk Tribe Administrative Office

64236 Second Avenue/PO Box 1016

Happy Camp, CA 96093

Faxes will be accepted at: 530-493-5322 (it is your responsibility to contact our office to verify that we have received your faxed proposal.

Emails will not be accepted.

Please reference RFP #14-RFP-004 when submitting your proposal.

Indian Preference will apply in the selection process in accordance with the Indian Preference Act of 1934 (Title 25, USC, Section 47) and/or the Tribal Employment Rights Ordinance (TERO), based on funding source requirements.

If applicable, construction contracts in excess of \$2,000, when required by Federal grant program legislation, are subject to compliance with the Davis-Bacon Act (40 USC 276a to a-7) as supplemented by Department of Labor regulations (29 CFR part 5).
