Vacancy Announcement

The Karuk Tribe is now accepting applications for the position of:

Natural Resources Technician I - Fisheries

This is a full-time position based in **Happy Camp**. The Natural Resources Technician I – Fisheries is an entry-level position and will receive direct supervision from the Natural Resources Technician III/Field Crew Supervisor. This position will assist the Karuk Tribe Department of Natural Resources Fisheries Program staff (DNR) to perform tasks related to the protection and preservation of Tribal trust species. Tasks may include assistance when implementing select research projects, construction, placement and operation of out migrant rotary screw traps, biological sampling, and fish kill monitoring and response, Hydrolab water quality data collection, and nutrient grab sampling within the Middle Klamath River Sub-basin and its tributaries.

Please see the position description below for a list of position requirements. Additionally, an application checklist has also been provided to assist you with presenting a complete and successful application.

Application Deadline: 10/29/18 by 5 PM

Applications are available at all Tribal Offices or on the Internet at www.karuk.us/jobs/. The Karuk Tribe's **(TERO) Preference and Drug & Alcohol Policy** apply. If selected applicants must successfully pass a drug screening test and be willing to submit to a criminal background check.

Job descriptions are available online at: www.karuk.us or by contacting the Human Resources Department, Telephone (530) 493-1600 ext. 2041, Fax: (855) 437-7888, Email: vsimmons@karuk.us.

POSITION DESCRIPTION

Title: Natural Resources Technician I - Fisheries

Reports To: Natural Resources Technician III/Field Crew Supervisor, or designee

Location: Department of Natural Resources, Orleans/Happy Camp, California

Classification: Nonexempt, Full-time, Seasonal, entry-level

Salary: \$10.68 to \$15.58 per hour, depending on education, experience, qualifications, time served in an equivalent capacity and funding availability.

Summary: The Natural Resources Technician I – Fisheries is an entry-level position and will receive direct supervision from the Natural Resources Technician III/Field Crew Supervisor. This position will assist the Karuk Tribe Department of Natural Resources Fisheries Program staff (DNR) to perform tasks related to the protection and preservation of Tribal trust species. Tasks may include assistance when implementing select research projects, construction, placement and operation of out migrant rotary screw traps, biological sampling, and fish kill monitoring and response, Hydrolab water quality data collection, and nutrient grab sampling within the Middle Klamath River Subbasin and its tributaries.

Responsibilities:

1. Assist in the collection of biological data using seines, mask and snorkel, electro fishing, and beach and boat seine utilizing standard data collection protocol.
2. Assist in the maintenance of all biological and hydrological sampling equipment.
