# **Position Description**

**Title:** Information Technology Technician

**Reports To:** Chief Information Officer

**Location:** Happy Camp Administration Office

**Salary:** \$16.00 to \$22.00 per hour, depending on experience

Classification: Full Time, Non-Exempt, Non-Entry Level

**Summary:** The IT Technician's first responsibility is to install, maintain and troubleshoot computers,

printers, telephone systems and other technology. The IT Technician is also responsible for creating and maintaining the Karuk Tribe web site and supporting staff development

needs by assisting in user education.

### **Responsibilities:**

1. Shall add, remove and update user accounts on various servers and systems.

- 2. Shall respond to user support requests and document work order status and completion.
- 3. Shall perform computer, printer, and telephone installation, maintenance and troubleshooting.
- 4. Shall perform software installation, updates, and troubleshooting.
- 5. Shall design, update, maintain and improve the Karuk Tribe's web site and online presence.
- 6. Shall order, activate, upgrade and maintain the Karuk Tribe cellular phones and devices.
- 7. Shall deploy new computer desktop, laptop, and tablet computers to users.
- 8. Shall work with vendors and place orders for IT related equipment.
- 9. Shall assist Information Technology Director with major projects.
- 10. Shall perform technical work related to equipment repair. This includes calling support companies and performing hardware replacements.
- 11. Shall assist with pulling and terminating twisted pair and fiber optic network cables.
- 12. Shall be available for local and out of the area travel as required. Shall attend all required meetings and functions as requested.

13. Shall be polite and maintain a priority system in accepting other position related job duties as assigned.

#### **Qualifications:**

- 1. Have the ability to work effectively with Native American people in culturally diverse environments.
- 2. Have the ability to manage time well and work under stressful conditions with an even temperament.
- 3. Have the ability to establish and maintain harmonious working relationships with other employees and the public.
- 4. Have the ability to understand and follow oral and written instructions.
- 5. Have the ability to work with little supervision.
- 6. Have working knowledge of Microsoft products.
- 7. Have strong communication skills including writing, speaking and phone etiquette.
- 8. Have website hosting experience.
- 9. A degree in computer science or related field and/or work experience, with extensive experience working with computer hardware and software is preferential.
- 10. Multiple physical network experience preferred (Wireless, LAN, WAN, Fiber, UTP).

#### **Requirements:**

- 1. Must have a high school diploma or equivalency.
- 2. Must have extensive knowledge of computers and networks.
- 3. Must have A+, Network+ or other technical certification required, or a willingness to obtain within 12 months. A college degree is acceptable in place of a technical certification.
- 4. Must have practical problem-solving skills and solid troubleshooting skills required.
- 5. Must have Windows Operating System experience.
- 6. Must possess valid driver's license, good driving record and be insurable by the Tribe's insurance carrier.
- 7. Must adhere to confidentiality policy.
- 8. Must successfully pass a pre-employment drug screening test and be willing to submit to a criminal background check.

**Tribal Preference Policy:** In accordance with the TERO Ordinance 93-0-01, Tribal Preference will be observed in hiring.

**Veteran's Preference:** It shall be the policy of the Karuk Tribe to provide preference in hiring to qualified applicants claiming Veteran's Preference who have been discharged from the United States Armed Forces with honorable and under honorable conditions.
